GENERAL BULLETIN 2020-03

Sunset of SCIPS rating for Personal Lines

Online **Agent**  **Bridge** Training

Dear Agency Partners:

Many of you have already attended one of our webinars introducing you to our **Agent**  **Bridge** portal, which is your new connection to Farmers of Flemington. We hope you found your session informative and that you are comfortable navigating through the portal and quoting/issuing new policies.

If you have not yet attended one of our convenient online training sessions or, if you would just like a refresher, please let your Underwriter or Marketing Representative know as soon as possible so we can get you on the schedule. **We plan to retire our SCIPS rating platform for personal lines at the end of January**, so we encourage everyone who has not attended a webinar to sign up right away.

There are many advantages to **Agent**  **Bridge** Including:

- **Quick, easy, and accurate quoting.**
- **Bind and issue policies instantly with electronic signatures – no more chasing paper apps or waiting on snail mail!**
- **Accessible 24/7 from anywhere with an internet connection. No more software to install.**
- **Easy access to policy documents, such as the Declaration Page, for printing or emailing to the client.**
- **Direct communication with your Underwriter and easy access to your workflow.**
- **Real-time access to reports.**

As we continue to refine **Agent**  **Bridge**, we are moving forward with the roll-out of our commercial-lines products starting with Businessowners, Commercial Auto and Contractors. There is a lot to look forward to in the coming year!

As 2020 draws to a close (*whew!*) we thank you for your trust and partnership. May you have a joyous Holiday and a happy, healthy New Year.

Sincerely,

Richard Hornick
Vice President - Underwriting
